

Precious Burlesque

Burlesque Party Experience

Party Details:

The evening will run for around 2 hours, although this can be tailored to your requirements. Times to be arranged.

Over the course of the evening we will show you some traditional burlesque moves, teach you the tricks of clothing peels and how to use props such as fans and boas, plus learn a fabulous routine to take away.

We will also provide a bottle or two of Champagne depending on group size and will kick the night off with some fun and games to get everyone in the mood.

No nudity involved and no experience required. *(N.B. Drinks other than Champagne provided, will need to be purchased at the bar.)*

What to wear and bring:

You can wear whatever you wish, although if you wear a skirt or dress with heels you will get into the sassy burlesque spirit even more.

Please bring hold up stockings if you would like to learn stocking peels.
